TRIANGLE J COUNCIL OF GOVERNMENTS

Land Use Planning

Public Workshop

The Town of Pittsboro seeks guidance about how to shape future growth in and around the town. A follow up from public workshop held in March 2007 will help frame the desires of the town and create a policy document that will shape the town for years to come. Please join us at the workshop or follow along online at <http://www.tjcog.dst.state.nc.us/regplan/pittland.htm>.

Highlights

- Revisit Future Land Use Intensity Maps and Input Process
- Introduce the Intensity Districts and the Design Guidelines for new Development
