Subject: Pittsboro Downtown Vision Plan

Dear Mr. Gruesbeck:

I am pleased to inform you that the North Carolina Department of Transportation (NCDOT) plans to participate in funding portions of the Pittsboro Downtown Vision Plan. In its June meeting, the Board of Transportation allotted funds to develop more detailed plans for the first four priorities identified in the downtown plan; labeled as So1, TC1, TC2, and TC3 in the Priority Project Summary Sheet on Page 19.

After more detailed plans and cost estimates are developed for these proposed projects, NCDOT will work toward identifying funding sources and developing a funding schedule to construct these high priority projects. The funding schedule will require a 20% match from the Town, and we will discuss in more detail once plans are completed.

The Department looks forward to working with the Town of Pittsboro to make the Downtown Vision Plan a reality for Pittsboro business owners, residents, and visitors. If you need any additional information, please contact Division Engineer Rob Stone at (910) 944-2344 or by email at robstone@ncdot.gov.

Sincerely,

Anthony J. Tata
