Purpose of Flood Determination: _____

PLEASE PROVIDE THIS OFFICE WITH A COPY OF THE MOST RECENT RECORDED SURVEY. Recorded maps are available from the Office of the Register of Deeds. If a survey is not available, please attach a drawing of the property showing the location of the proposed development activity, the 100 year floodplain, the distance to the water body and other information necessary to accurately locate the development activity in relationship to the floodable areas and property lines. A determination of permit approval will be evaluated based on the permit application submitted and the regulations in effect at the time.

I hereby certify that I am making this application with the knowledge and permission of the landowner or that I am the landowner and that the information provided is correct to the best of my knowledge.
