

## CURBSIDE LEAF COLLECTION 2014-2015 Schedule

The Town collects loose leaves twice per week during the months of November, December and January. We will make every effort to run the route on Monday and Friday of each week, with adjustments for some holidays.

Residents on the East side of US 15-501, Hillsboro Street and Sanford Road, your leaves will be collected on the 1<sup>st</sup> and 3<sup>rd</sup> weeks of the month.

If you live on the West side of town, your leaves will be collected on the 2<sup>nd</sup> and 4<sup>th</sup> weeks of the month.

To ensure collection, please place loose leaves curbside by 7 a.m. on the first scheduled day of collection for your area.

The Town may visit your street at any time during each of your area's specified collection periods.

Remember to keep leaves out of the street and avoid sidewalks, fire hydrants, mailboxes and water meters. We cannot pick up leaves that are more than 6 feet from the edge of the street or curb.

The Town will not pick up leaf piles containing sticks and debris mixed in.

EASTSIDE		WESTSIDE
	<i>NOVEMBER 2014</i>
