**RE: Chatham County Agri-Civic Center**

Dear Mr. Horne,

On behalf of the Town Board of Commissioners, I would like to thank Chatham County for its interest in locating the Agri-Civic Center in Pittsboro. The project will fulfill a significant need for community meeting space and will be a great addition to Chatham County and the Town of Pittsboro.

We are looking forward to working with Chatham County's Board, staff and consultants during the subsequent Site Planning process to ensure the facility meshes with current and future storm and sanitary sewer needs on and near the property. We are aware and thankful that you have and will continue to work with neighboring property owners to address their concerns as the facility and the property develops.

Please call me with any questions, concerns or need for additional information. Thanks!

Sincerely,
