Subject: Pittsboro Downtown Vision Plan

Dear Mr. Gruesbeck:

In my letter dated August 12<sup>th</sup>, 2014 I informed you that the North Carolina Department of Transportation (NCDOT) will participate in funding portions of the Pittsboro Downtown Vision Plan. At its June meeting, the Board of Transportation allotted funds to develop more detailed plans for the first four priorities identified in the downtown plan; labeled as So1, TC1, TC2, and TC3 in the Priority Project Summary Sheet on Page 19.

After further discussion with staff we determined that the projects will be funded from state funds and thus will not require a 20% match from the town. I apologize for any inconvenience this may have caused. I have instructed staff to contact you and engage and assist in completing this very important project.

The Department looks forward to working with the Town of Pittsboro to make the Downtown Vision Plan a reality for Pittsboro business owners, residents, and visitors. If you need any additional information, please contact Division Engineer Rob Stone at (910) 944-2344 or by email at [robstone@ncdot.gov](mailto:robstone@ncdot.gov).

Sincerely,
