Re: FY 12/13 Building Reuse Program, Notice of Application Declination
"Bella Donna"

Dear Mayor Voller:

Thank you for your proposal submitted for review under the Building Reuse Grants Program. I regret to inform you that your proposal was not among those awarded funding in this grant round. We encourage your efforts and wish you success with your endeavor.

This project was not funded for the following reasons:

1. The program received more projects than could be funded for the round, and Chatham County is a Tier 3 county.
2. No benefits provided to employees.
3. Did not provide detailed cost estimates.
4. No environmental assessment was provided.
5. Discrepancy in number of baseline employees reported in the application and the NCU101 forms provided.
