Mr. Willett,

I have been asked by the Town of Pittsboro Board of commissioners to request a possible extension of the 35 mph speed zone on US 15/501 NC 87 South near Log Barn Road just outside of Pittsboro NC.

Currently that section of highway reduces from a 55 mph zone to a 35 mph zone approximately 100 yards south of that intersection. The request of the board is that the NC DOT would consider extending that 35 mph speed zone further south or possibly reducing speeds to a 45 mph zone well in advance of the 35 mph zone. Any consideration and/or traffic or speed studies you could conduct would be greatly appreciated.
