

MEMORANDUM

TO: Mayor and Board of Commissioners

FROM: Bryan Gruesbeck, Town Manager

SUBJECT: Sanitary Sewer Allocation Request from Chatham County Schools/Northwood High School

DATE: August 22, 2016

Background: Attached please find a letter from Chatham County Schools requesting a sanitary sewer allocation of 1,125 gallons per day (GPD) in anticipation of 75 additional students over the next year.

This request is associated with the Special Use Permit for a new modular building that you approved on July 25, 2016. The modular building will accommodate the new students. Your approval of the allocation request is necessary for the School to receive the Certificate of Occupancy.

The Town currently has 68,495 GPD of capacity to allocate. Therefore, this request would reduce capacity to 67,370 GPD.

Action Requested: Approve the sanitary sewer allocation request from Chatham County Schools for 1,125 GPD for use at Northwood High School.
