MEMORANDUM

TO: Bryan Gruesbeck, Town Manager

FROM: Stuart W. Bass, Planning Director

SUBJECT: REZ-2013-01
Randolph Development Group LLC Rezoning

DATE: May 23, 2013

The above referenced item is scheduled for a Public Hearing on May 28th.

Randolph Development Group LLC is proposing to rezone 2.46 acres of vacant, undeveloped property off of US 15-501 from C2-Conditional Use District to C2-Conditional Zoning District.

The property was formerly part of the American Asset Corporation rezoning, which involved a 46.77 acre tract. The property was zoned from R-A2 to C-2 CU, Highway Commercial Conditional Use District, on May 13, 2008.

This is also a Conditional Zoning District request (our first) as recently approved on March 11, 2013. The associated site plan is part of the rezoning consideration. I have attached a description by David Owens (provided earlier during our discussions) and a copy of the adopted ordinance for your reference.
