Job Description: Senior Water Treatment Plant Operator

General Duties and Responsibilities:

An employee in this position is responsible for participating in the operation and maintenance of a 2 MGD water treatment plant. Must have knowledge of the practices of water treatment and water purification analysis. Needs to have knowledge of chemical tests applicable to water treatment, equipment repair, maintenance techniques, appropriate safety precautions and procedures, mathematics applicable to plant operations, and fundamentals of computer operation. Performs a variety of water quality laboratory tests. Adjusts chemicals as necessary to maintain optimum plant performance. Monitors water tank levels, makes periodic checks of equipment, including feed pumps, flocculators, flash mixer, basins, filters, raw pump building and high service pump building. Retains plant records as required. Backwashes filters as required. Refills chemical day tanks. Maintains facility, which includes general housekeeping and grounds maintenance. Operates the SCADA system to control plant operation and keep up distribution system requirements. Works directly under the supervision of the Superintendent and Operations Supervisor.

Knowledge, Skills, and Abilities:

Must have working knowledge of North Carolina state regulations, standard practices, and testing procedures in the treatment of water. Must have a working knowledge of the operation and maintenance requirements of machines and equipment used in water treatment. This position requires the physical ability to lift approximately 55 lbs, reach overhead, twist, climb, kneel and squat. Must be willing to work holidays and during inclement weather. This position is rotating day/night shift and will include some rotating weekend work.

Job Requirements:

Completion of high school or GED required. Prefer candidates with at least a grade (A - SURFACE) certificate in water treatment or be willing/able to obtain within one year of employment. Possession of a driver's license valid in the State of North Carolina required
