Town Hall Closure Update 01 – Town Hall Remains Closed Due to COVID-19

PITTSBORO, NC – The Pittsboro Town Hall (located at 635 East Street in Pittsboro) is still closed to the public due to staffing shortages and health concerns related to COVID-19. This closure impacts both walk-in and drive-through services. Should you need to speak with someone at Town Hall, please call the front desk at 919-542-4621, enter extension 1100, and leave a voicemail if you do not get an answer.

If you wish to pay your water bill online, you can access the payment portal by [CLICKING HERE](#). You can also use any other method to pay utility bills such as pay-by-phone and using the dropbox in the drive-through. Information on these methods can be found by visiting the [Town Website](#).

The Police Department is also closed to visitors and walk-in services. Should you need to speak to a police officer, please contact the Police Department at 919-542-3200 during regular hours or Chatham County Emergency Communications using the non-emergency number (919-542-2911) during non-business hours and explain that you need to speak to a Pittsboro Police Officer.

We are working diligently to reopen Town Hall as soon as possible. Notice that Town Hall has reopened will be issued through an additional media release and Town Alert. To register to receive free news alerts from the Town, please visit [THIS WEBPAGE](#), click on “NOTIFY ME” on the toolbar on the right side of the web, and choose the alert categories you are interested in receiving. If the link does not work, you can access the news page by going to the website and clicking on “VIEW ALL NEWS” at the bottom. Then follow the steps listed above. We thank you for your patience as we work through these challenges and look forward to resuming our normal level of service soon.
