Town Partners with Chatham County to Offer Online Permitting and Payment Option

PITTSBORO, NC – The Town of Pittsboro has recently partnered with Chatham County to make our permitting and zoning processes more efficient and user-friendly for town residents and business owners. In addition to in-person services already offered, those who need to apply for residential zoning compliances, floodplain determinations, or sign permits can now complete the applications and pay for permits online. Once users create an account, they can use this portal to apply for permits as needed.
