

## CURBSIDE LEAF COLLECTION 2023-2024 Schedule

The Town of Pittsboro will collect piled, loose leaves weekly during the months of October thru February with adjustments for Town holidays. To ensure collection, please place loose leaves curbside by 7:00am on the first scheduled day of collection for your area. The Town may visit your street at any time during each of your area's specified collection periods.

Residents on the **East** side of US 15-501, Hillsboro Street and Sanford Road will receive leaf collection service on the odd numbered weeks as shown in the table below. Residents on the **West** side of US 15-501, Hillsboro Street and Sanford Road will receive leaf collection service on the even numbered weeks as shown in the table below. There will be no leaf collection service in the week between Christmas and New Year's Day.

Remember to keep leaves out of the street and avoid sidewalks, fire hydrants, mailboxes, and water meters. The Town will not pick up leaves that are more than six (6) feet from the edge of the street or curb. The Town will not pick up leaf piles containing sticks, debris, household items, or construction debris. The Town may also delay its pickup of leaves after rain events or if leaves are too wet to retrieve on the scheduled pickup week.

Week	Route	Week of
1	EAST	Monday, October 2
2	WEST	Monday, October 9
3	EAST	Monday, October 16
