Re: 2018 IIMC Annual Conference

Dear Mr. Shelby:

We recently learned of the efforts of the City of Greensboro, North Carolina to host the 2018 IIMC Annual Conference. On behalf of the Town of Pittsboro Board of Commissioners, I add our support to locate the conference in Greensboro.

We understand that North Carolina has never been chosen as a host state for the IIMC Conference. You will not be disappointed in North Carolina with its natural beauty, charming towns, and gracious citizens. We can assure you that Greensboro has modern and conveniently located conference facilities which offer exceptional quality, service and comfort. Greensboro is known for its unique retail shopping opportunities and its rich blend of recreational and cultural activities that are hard to match in other cities. We believe Greensboro is the perfect location to host the municipal clerks from around the United States.

We understand the importance of conferences such as this for its educational sessions, as well as the opportunity to network with leading industry professionals and other municipal colleagues.

Thank you for the serious consideration you are giving to this matter. We look forward to seeing the 2018 IIMC Annual Conference in Greensboro.

Sincerely,

TOWN OF PITTSBORO

Randolph Voller, Mayor
