## Application For Stormwater Discharge Permit

Town of Pittsboro

635 East Street Pittsboro, NC 27312

Phone: (919) 542-4621 Fax: (919) 542-7109

### SUBMITTAL REQUIREMENTS

- **Plan Sets:** 2 copies (Folded)
  - *Must include all items indicated in the Design Manual and the submittal checklist*
- **Stormwater Management Report:** 2 copies (Bound)
  - *Include a digital (.pdf) copy on the submittal CD*
- **Application Fee:** See current fee schedule
  - *Note: Stormwater applications approved with the site plan/preliminary subdivision may be subject to an additional modification fee if changes to the design are required during construction*

## PROJECT INFORMATION:

In the space provided below, briefly summarize how the stormwater runoff will be treated.

# Application For Stormwater Discharge Permit

Town of Pittsboro  
 635 East Street Pittsboro, NC 27312  
 Phone: (919) 542-4621 Fax: (919) 542-7109

A copy of the Stormwater Discharge Permit checklist, provided in Appendix D of the Stormwater Administrative Manual, should be included with this application. The “Declaration of Maintenance Covenant and Grant of Protection Easements for Stormwater Control Facilities” (see Appendix E of the Stormwater Administrative Manual) should be submitted for review and approval with the initial application. An executed agreement must be submitted before the permit can be issued. Following project completion, the document must be recorded with the Chatham County Register of Deeds and a copy provided to the Stormwater Administrator within 14 days of recordation.

Complete the following information for each drainage area. If there are more than four drainage areas in the project, attach an additional sheet with the information for each area provided in the same format as below.

Basin Information	Pre	Post	Net
On-site Drainage Area (sf)	-	-	-
Off-site Drainage Area (sf)	-	-	-
Total Drainage Area (sf)	-	-	-

On-site Impervious Area* Information	Pre	Post	Net
Buildings (sf)	-	-	-
Streets (sf)	-	-	-
Parking (sf)	-	-	-
Sidewalks (sf)	-	-	-
Other (sf)	-	-	-
Future Phases (sf)	-	-	-
Total BUA (sf)	-	-	-

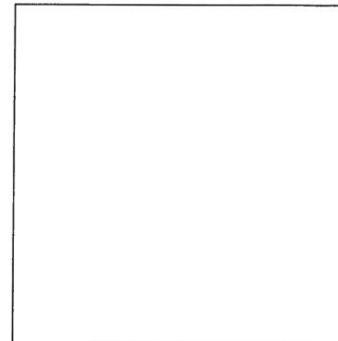

\* Impervious area is defined as the built upon area (BUA) including, but not limited to, buildings, roads, parking areas, sidewalks, gravel areas, etc.

## DESIGNER’S CERTIFICATION

I, \_\_\_\_\_, certify that the information included on this permit application form is, to the best of my knowledge, correct and that the proposed project complies with the requirements of the applicable stormwater rules required by the Town of Pittsboro.

Signature: \_\_\_\_\_

Date: \_\_\_\_\_

Town Project Number: \_\_\_\_\_

# Application For Stormwater Discharge Permit

Town of Pittsboro

635 East Street Pittsboro, NC 27312

Phone: (919) 542-4621 Fax: (919) 542-7109

## APPLICANT/DEVELOPER CERTIFICATION

I, \_\_\_\_\_, certify that I own this property, or have obtained proper authorization from the owner of the property identified in this permit application, and that the project will be constructed in conformance with the approved plans, and that the required deed restrictions and protective covenants will be recorded. If applicable, a copy of the lease agreement or pending property sales contract has been provided with the submittal, which indicates the party responsible for the operation and maintenance of the stormwater BMP.

As the legal property owner or duly authorized agent, I acknowledge, understand, and agree by my signature below, to accept responsibility for compliance with the Stormwater Permit. I understand that the operation of a stormwater BMP without a valid permit is a violation of NC General Statute 143-215.1 and may result in appropriate enforcement action including the assessment of civil penalties of up to \$25,000 per day, pursuant to NCGS 143-215.6.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

I, \_\_\_\_\_, a Notary Public for the State of \_\_\_\_\_,

County of \_\_\_\_\_, do hereby certify that \_\_\_\_\_

personally appeared before me this day and acknowledge the due execution of the application for a stormwater permit.

WITNESS my Hand and Official Seal, this the \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.

## PROPERTY OWNER AGENT AUTHORIZATION

Complete this section only if you wish to designate authority to another individual and/or firm so that they may provide information on your behalf for this project.

I, \_\_\_\_\_, certify that I own the property identified in this permit application, and thus give permission to \_\_\_\_\_ with \_\_\_\_\_ to develop the project as currently proposed. A copy of the lease agreement or pending property sales contract has been provided with the submittal, which indicates the party responsible for the operation and maintenance of the stormwater BMP.

As the legal property owner I acknowledge, understand, and agree by my signature below, that if my designated agent, \_\_\_\_\_, dissolves their company and/or cancels or defaults on their lease agreement, or pending sale, responsibility for compliance with the Pittsboro Stormwater permit reverts back to me, the property owner. As the property owner, it is my responsibility to notify Pittsboro immediately and submit a completed Name/Ownership Change Form within 30 days; otherwise I will be operating a stormwater treatment facility without a valid permit. I understand that the operation of a stormwater treatment facility without a valid permit is a violation of NC General Statute 143-215.1 and may result in appropriate enforcement action including the assessment of civil penalties of up to \$25,000 per day, pursuant to NCGS 143-215.6. Furthermore, I understand that I have ultimate responsibility to ensure that the project is constructed in conformance with the approved plans, and that the required deed restrictions and protective covenants are recorded.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

I, \_\_\_\_\_, a Notary Public for the State of \_\_\_\_\_, County of \_\_\_\_\_, do hereby certify that \_\_\_\_\_

personally appeared before me this day and acknowledge the due execution of the application for a stormwater permit.

## APPENDIX D

### Checklist for *Stormwater Discharge Permit* Application Submittals

# APPENDIX D

**Town of Pittsboro, NC**  
Engineering Department

## **Stormwater Discharge Permit Submittal Checklist**

**Note:** Stormwater Management construction plans may be submitted as part of the Site Plan review set. Please check that you have addressed the following items before you submit the stormwater plans and supporting documents for review:

- Existing and proposed topography (minimum of two-foot contours)
- Locations of perennial and intermittent streams
- Delineations of FEMA special flood hazard areas and, if applicable, floodway or non-encroachment area limits
- Location and boundaries of other natural feature protection and conservation areas such as wetlands, lakes, ponds, floodplains, and riparian buffers. Also note any setbacks which may be required for environmental protection (e.g., drinking water well setbacks, septic setbacks, etc.)
- Delineation of on-site and off-site drainage areas for each inlet of the proposed stormwater conveyance system
- Natural resources inventory (See Section 203 of the ordinance)
- Relationships of flow paths and drainage patterns to adjacent properties
- Mapping of predominant soils from Chatham County soil survey
- Characterization of existing predominant vegetation
- Proposed limits of disturbance
- Locations of existing and proposed roads, buildings, parking areas and all other impervious surfaces
- Existing and proposed utilities (e.g., water, sewer, gas, electric) and easements
- Locations of existing and proposed utilities: Inlets, manholes, pipelines and other structural features (Include plan and profile including all utilities, pipe sizes and materials, inlets, junctions, discharge locations and end treatment)
- Locations of existing and proposed open channel conveyance features, including natural streams (noted as ephemeral, intermittent or perennial), grassed swales, man-made channels, level spreaders, etc.

- Profiles, cross-sections and details for all proposed open conveyance features and BMP's
- Proposed stormwater structural control measures, with sizes and inverts noted for all structures

- **Stormwater Report Content Requirements**

- **Part 1: Narrative**

- Provide a brief and concise narrative describing existing conditions, using the natural resources inventory as a basis
    - Describe how post-development runoff will be managed to maintain the “pre-development hydrologic response”. (*location, flow and volume of existing runoff*)
    - Describe the proposed development or redevelopment project ie: buildings, parking, open space, built-upon area, impervious surfaces, etc.
    - Describe the non-structural BMP components of the site design to reduce the need for structural BMP's
    - Describe the considerations and process for the site alternatives analysis and the final BMP's selected using the guidelines of Chapter 4 of the BMP Manual

- **Part 2. Calculations, Models and Spreadsheets**

- Describe how the project will meet requirements of the Town of Pittsboro Stormwater Management Ordinance for New Development and Redevelopment
    - Provide hydrologic calculations for pre- and post-project peak flows to all outlet locations
    - Provide supporting documentation of calculations for pipe and channel sizing.
    - Provide supporting documentation of calculations for BMP water quality volumes
    - Provide a completed NC DENR BMP Supplement Form for each engineered stormwater control facility
    - Electronic file of Jordan/Falls Lake Stormwater Accounting Tool and/or Storm EZ tool calculations for all stormwater Best Management Practices used for the project. (Must provide hardcopy print outs in 11X17 size sheets with legible font sizes)

- **Documents for Inclusion in Initial Submittal**

- Provide a draft of “*Stormwater Operations and Maintenance Manual and Budget*”, with construction and annual maintenance cost estimates for each proposed stormwater structural control measure (BMP)
- Other documents such as partial off-set payment forms, etc. (if applicable)
- Riparian Buffer Authorization Certificate Application Form

#### **Additional Documents for Submittal Prior to Issuance of Permit**

- Executed copy of “Declaration and Maintenance Covenant and Grant of Protection Easements for Stormwater Control Facilities”
- Approved and notarized copy of “Stormwater Operations and Maintenance Manual and Budget”
- Copy of Sedimentation and Erosion Control permit (Land Disturbance Permit from Chatham County)
- Copy of NCDOT Encroachment Agreement (if applicable)
- Copy of Riparian Buffer Authorization (if applicable)
- Copies of federal or state permits as applicable (e.g. Corps 404 approval, NCDENR 401 certification, FEMA approval for CLOMR or No-Rise certification)
- Performance security

#### **Applicable Fees**

(See Stormwater Administrative Manual for Fee Schedule)

- Application Review Fee (required with initial submittal, possibly with subsequent modifications under certain conditions)
- Permit Fee
- BMP Facility Fee

## **DECLARATION OF MAINTENANCE COVENANT AND GRANT OF PROTECTION EASEMENTS FOR STORMWATER CONTROL FACILITIES**

Town of Pittsboro Case or File Number: \_\_\_\_\_  
Name of Development (as shown on recorded plat) \_\_\_\_\_  
Legal Name of Declarant: \_\_\_\_\_

**STATE OF NORTH CAROLINA  
COUNTY OF CHATHAM**

**DECLARATION OF MAINTENANCE COVENANT AND PROTECTION EASEMENTS  
FOR STORMWATER CONTROL FACILITIES**

THIS DECLARATION OF MAINTENANCE COVENANT AND GRANT OF PROTECTION EASEMENTS FOR STORMWATER CONTROL FACILITIES (this "Maintenance Covenant") is established this \_\_\_\_\_ day of \_\_\_\_\_, 201\_, by \_\_\_\_\_, with a mailing address of \_\_\_\_\_, the "Declarant" (as defined herein), who is the owner of certain real property located in Chatham County, North Carolina, as described further in **Exhibit A** of this Maintenance Covenant (the "Property"), for the benefit of the Declarant, the Responsible Party (as defined herein), all successor Owners (as defined herein) of the Property, their successors, assigns, and heirs, and the Town of Pittsboro. (If the date above is blank, the effective date of this instrument shall be the date of its recordation in the county registry.)

**RECITALS**

WHEREAS, the Town of Pittsboro, under various state and federal laws, is required to regulate the maintenance of Stormwater Control Facilities (as defined herein) constructed to serve new development within the Town's planning jurisdiction to ensure that, following initial construction, the Stormwater Control Facilities are operated, maintained, and, to the extent necessary, repaired in accordance with applicable state and federal law; and

WHEREAS, the Town of Pittsboro may be subject to substantial regulatory and financial penalties from the State of North Carolina and the federal government if the above-referenced rules and regulations are not applied to new development occurring within the planning jurisdiction of the Town of Pittsboro; and

WHEREAS, the Town Board of the Town of Pittsboro has determined that, to maintain the Town of Pittsboro's compliance under applicable state and federal regulations, certain obligations are to be met by developers and subsequent owners of Stormwater Control Facilities constructed to benefit Owners of newly created Lots (as defined herein) in new developments; and

WHEREAS, Declarant, as Owner of the Property (which is part or all of the real property described in Book \_\_\_\_\_, Page \_\_\_\_\_, Chatham County Registry), wishes to develop the Property in accordance with the rules, regulations, and laws of the Town of Pittsboro (including conditions of approval as shown in the aforesaid Town of Pittsboro Case Number) and the State of North Carolina; and

WHEREAS, Declarant intends to construct one or more Stormwater Control Facilities that will serve the Property and that will benefit more than one Lot within the Property (or any portion

thereof), thus subjecting the Property to this Maintenance Covenant pursuant to the requirements of Section 408 of the Stormwater Ordinance of the Town of Pittsboro.

WHEREAS, this Agreement has been procured in accordance with the requirements of N.C. General Statutes Chapter 143, Article 21, Part 1, N.C. General Statutes 160A-459, and Section 408 of the Town Stormwater Ordinance.

NOW THEREFORE, in order to comply with the requirements of Section 408) of the Stormwater Ordinance of the Town of Pittsboro, the Declarant hereby establishes this Maintenance Covenant in order to encumber, restrict, and obligate the Property and any successor Owners of the Property (or any portion thereof) to the terms, conditions, and obligations herein.

## Article I

### Definitions, Construction, and Amendment

1. Definitions. As used in this Maintenance Covenant, the following words and terms have the following definitions.

(a) "Association" is defined as the entity organized and operated under the laws of the State of North Carolina as the homeowners' or property owners' association for the Property (if applicable).

(b) "Town" or "Town of Pittsboro" is defined as the Town of Pittsboro, North Carolina, a North Carolina municipal corporation.

(c) "Town Approval" is defined as the written approval of the Town of Pittsboro, as given by the Director of Planning or his deputy on the applicable document or plat.

(d) "Code" is defined as the Pittsboro Town Code of Ordinances, including, but not limited to, the Stormwater Ordinance, as it may be amended from time to time, and includes all duly adopted regulations, rules, directives, and policies of the Town pursuant to or in furtherance of the Code.

(e) "Declarant" is defined as the Person identified as the Declarant hereinabove and its successors and assigns, and includes any Person who has the powers of a Declarant established in a Subsequent Document, and its successors, heirs, and assigns.

(f) "Development" is defined as the real property approved for development by the Town under the Town of Pittsboro Case or File Number shown on the first page of this Maintenance Covenant. The Property may be part or all of the real property that constitutes the Development.

(g) "Governmental Authority" (or "Governmental Authorities") is defined as the Town, the County (or Counties, if applicable) in which the Property is located, the State of North Carolina, the United States of America and all other governmental entities and quasi-governmental entities that have jurisdiction over the Property or any part thereof, and all applicable departments and agencies of any of them, whichever is/are applicable.

(h) "Lot" or "Parcel" is defined as any portion of the Property, together with any improvements thereon, which are shown upon any recorded plat of any part or all of the Property, and which is not any of the following: dedicated street rights-of-way; or greenway, open space, or park lands owned in fee simple by the Town.

(i) "Maintain", "Maintenance", "Maintaining", or any similar term used herein is defined to include any one or more of the following, as the context requires: acquisition, purchase, construction, re-construction, installation, maintenance, inspection, examination, upkeep, cleaning, renewal, alteration, repair, replacement, repainting, remodeling, restoration, removal, improvement, administration, operation, use, planting, mowing, cutting, trimming, pruning, fertilizing, watering and preservation.

(j) "Maintenance Covenant" is defined as this document, together with all exhibits and amendments to this document.

(k) "Owner" is defined as the record Owner, whether one or more Persons, of fee simple title to any Lot, but excluding those having an interest in a Lot solely as security for the performance of an obligation or a tenant.

(l) "Person" is defined to include any natural person, corporation, business trust, estate, trust, partnership, limited liability company, association, joint venture, Governmental Authority (including the Town), or other entity.

(m) "Parcel" is defined as "Lot", above.

(n) "Property" (or "Properties") is defined as all of the real property which is subject to any part or all of the terms of this Maintenance Covenant, as described in **Exhibit A**, attached hereto, as it may be amended, and incorporated herein by reference.

(o) "Registry" is defined as the office of the Register of Deeds (or any successor office under applicable law) for the North Carolina County or Counties in which deeds, plats, easements, mortgages and deeds of trust for the Property are recorded. All references herein to recording or to any requirement to record a document or plat refer to recording in the Registry of the County or Counties in which the applicable portion of the Property is situated.

(p) "Responsible Party" is defined as an Association or a commercial Lot Owner that is responsible for Maintenance of the Stormwater Control Facilities following transfer of such responsibility from the Declarant to the Association or commercial Lot Owner by deed or easement. Until such point that the title to the Stormwater Control Facilities is transferred, by deed or easement, to an Association of commercial Lot Owner, the Responsible Party shall be the Declarant.

(q) "Stormwater Control Facilities" is defined as one or more of the following devices and measures, together with associated private drainage easements utilized for conveying stormwater (however identified on a plat or in a document) that serves the Property and which are located outside of public street rights-of-way and drainage easements accepted into public use by the Town, including, but not limited to, conduits, inlets, channels, pipes, level spreaders, ditches, grassed swales, sand filters, wet ponds, dry detention basins, wetlands, permanently protected undisturbed open space areas (or similarly designated areas, such terms to be used interchangeably in this Maintenance Covenant), bio-retention areas, retention or detention ponds, and other devices and measures, necessary to collect, convey, store, and control stormwater runoff and pollutants for more than one (1) Lot in the Property.

(r) "Stormwater Operations Maintenance Manual and Budget" or "Stormwater Operations and Maintenance Manual and Budget" is defined as that manual, however named, approved by the Town that documents the requirements for the Maintenance of the Stormwater Control Facilities and the projected annual costs for such Maintenance.

(s) "Subsequent Document" is defined as any document, map, or plat affecting or encumbering the Property or any portion thereof that is recorded in the Registry after this Maintenance Covenant is recorded in the Registry.

2. Applicability. The Property, this Maintenance Covenant and all provisions of Subsequent Documents and other separately recorded instruments applicable to the Property (or any portion thereof) are subject to the ordinances, regulations, and rules of the Town, and shall be construed in accordance with all of the applicable provisions of the Code, whether or not such Code provisions are specifically referenced in this Maintenance Covenant or in any Subsequent Document. It shall be the responsibility of the Responsible Party and each Owner of each portion of the Property to comply with all provisions of the Code applicable to such portion of the Property. No Subsequent Document may avoid, vary, negate, or waive the obligations and rights of the Declarant, any Owner, or the Responsible Party without amendment to this Maintenance Covenant (with Town Approval, as provided in Article I, Section 4) to allow such avoidance, variation, negation, or waiver.

### 3. Conflicts.

(a) The provisions of the Code control over any inconsistent provisions of this Maintenance Covenant or any Subsequent Document.

(b) As applicable provisions of the Code are amended, modified, revised, deleted, or moved to different sections, this Maintenance Covenant is deemed to be revised so as to conform to the provisions of the Code as they may exist from time to time and are applicable to the Property or any part thereof.

(c) The provisions of this Maintenance Covenant shall control over any inconsistent provisions of any Subsequent Documents unless this Maintenance Covenant is amended, with Town Approval as provided in Article I, Section 4 below, to allow subordination of this Maintenance Covenant to the Subsequent Document. To the extent that any Subsequent Document affecting the Property conflicts with the provisions of the Code or the General Statutes of the State of North Carolina, the conflicting provision shall be automatically cured to comply with the Code and the General Statutes of the State of North Carolina. To the extent that the requirements of the Code and the General Statutes of the State of North Carolina conflict, the more stringent provision shall prevail and apply.

(d) Notwithstanding any other provision of this Maintenance Covenant, any provision of this Maintenance Covenant or Subsequent Document that is more restrictive than an applicable provision of the Code is not an inconsistent provision of this Maintenance Covenant unless the Code specifically provides otherwise, and is not deemed revised to conform to the Code.

(e) To the extent that definitions or provisions in a Subsequent Document are different than the definitions or provisions utilized in this Maintenance Covenant yet bear a similar meaning the provisions of this Maintenance Covenant shall apply as if the defined term or provision of this document was utilized. Specific exceptions to this provision may only be

achieved through amendment to this Maintenance Covenant as provided in Article I, Section 4.

(f) If additional Maintenance Covenants are recorded for the Development, those additional Maintenance Covenants shall have the priority of this Maintenance Covenant with respect to Subsequent Documents.

(g) Allocation of assessment obligations among Owners in any Subsequent Document does not constitute a conflict with this Maintenance Covenant. Provided, however, the rights of the Town in this Maintenance Covenant, including, without limitation, the rights of the Town to enforce liens and collect monies from Owners and any Association, shall not be impaired or adversely affected by any such allocation of assessment obligations in any Subsequent Document.

#### 4. Amendment of Maintenance Covenant.

(a) Amendments to this Maintenance Covenant are valid from the time of recording in the Registry. Any amendment of this Maintenance Covenant must have prior Town Approval. Any amendment of this Maintenance Covenant that requires Town Approval is void *ab initio* if recorded without the required Town Approval. Any amendment to an exhibit attached and incorporated into this Maintenance Covenant will similarly require an amendment to this Maintenance Covenant.

(b) During the first ten (10) year period following the date of the recording of this Maintenance Covenant in the Registry, the Declarant may amend this Maintenance Covenant with Town Approval and without the consent or joinder of any other Person, so long as Declarant owns any portion of the Property.

(c) If the amendment provisions of Section 4(b), above, are no longer applicable to the Property, this Maintenance Covenant may be amended with the consent of two-thirds (2/3) of the Owners of Lots within the Property and with Town Approval.

### **Article II**

#### **Obligations of the Pittsboro Town Code for Stormwater Control Facilities and Maintenance**

1. Construction of Stormwater Control Facilities. The Declarant shall be responsible for the construction of the Stormwater Control Facilities and the Declarant will be responsible for the Maintenance thereof in accordance with the Stormwater Operations and Maintenance Manual and Budget prior to conveying title of the Stormwater Control Facilities, their appurtenances, and vegetation to the Responsible Party by deed or easement. The Stormwater Control Facilities must be constructed in accordance with all applicable laws, ordinances, regulations, rules, and directives of Governmental Authorities, including, but not limited to, the Code, and the Stormwater Control Facilities must perform as designed.

2. Maintenance of Stormwater Control Facilities. Following conveyance to the Responsible Party by the Declarant, Stormwater Control Facilities shall be Maintained by the Responsible Party in accordance with the Stormwater Operations and Maintenance Manual and Budget. At all times, the Stormwater Control Facilities must comply with all applicable laws, ordinances, regulations, rules, and directives of Governmental Authorities, including, but not limited to, the Code, and the

Stormwater Control Facilities must perform as designed. The Stormwater Operations and Maintenance Manual and Budget must meet all applicable requirements of the Code.

3. Location of Stormwater Control Facilities. A description of the portions of the Property where the Stormwater Control Facilities are located, including all private drainage easements conveying stormwater over, under, across, through, and upon the Property to and from the Stormwater Control Facilities, is provided in **Exhibit B**, attached hereto and incorporated herein by reference.

4. Drainage Easement. The Declarant dedicates, establishes and declares to and for the benefit of each Lot within the Property (or any portion thereof):

(a) the perpetual, irrevocable and non-exclusive easement, right and privilege to discharge, transport, and store stormwater from any portion of the Property into, over, under, across, through and upon the Stormwater Control Facilities and private drainage easements as described in **Exhibit B**, and

(b) the perpetual, irrevocable and non-exclusive easement, right and privilege to use and Maintain Stormwater Control Facilities, including the right of access to and from the Stormwater Control Facilities, including private drainage easements and other portions of the Property as reasonably necessary to Maintain the Stormwater Control Facilities; and

5. Relocation of Drainage Easements.

(a) Private drainage easements situated on the Property may be relocated only by a written agreement signed by the Responsible Party that is responsible for Maintenance of the Stormwater Control Facilities associated with such private drainage easements and by the Owners of all portions of the Property on which the private drainage easement then is located, and by the Owners of all portions of the Property on which the private drainage easement is to be relocated. The consent of tenants, mortgagees, and beneficiaries and trustees under deeds of trust with respect to the affected portions of the Property shall not be required for the relocation to be effective. All relocations of a private drainage easement shall be accompanied with a letter sealed by a professional engineer licensed in the State of North Carolina stating that the relocated private drainage easement will not cause any adverse stormwater runoff unto the benefitted and/or adjoining properties.

(b) Notwithstanding anything herein to the contrary, no relocation of any private drainage easement shall be valid without prior Town Approval. Any relocation without the required Town Approval is void *ab initio*.

(c) Relocation of a private drainage easement is valid from the later of the time of either recording of the plat or other instrument of relocation in the Registry or such later date specified therein.

6. Stormwater Control Facilities Maintained by an Association.

(a) If an Association is responsible for the Maintenance of the Stormwater Control Facilities, then membership in the Association shall be mandatory for each Parcel served by the Stormwater Control Facilities and any successor Owner of the Parcel with membership being appurtenant to the Lot and running with ownership of the Lot. The Association shall have the power to levy assessments for the costs and expenses of Maintaining the Stormwater Control Facilities. All assessments required by this section that are levied against a Lot that remain unpaid shall become a lien on that Lot. (Calculation of the assessment charge shall be set forth in a subsequent recorded document.)

(b) Any Association that is the Responsible Party for the Maintenance of Stormwater Control Facilities shall be established in accordance with Chapters 47C or 47F of the North Carolina General Statutes (or successor statutes) and the Association declaration shall conform to this Maintenance Covenant and to Section 408 of the Stormwater Ordinance (or its successor provision). Compliance with these terms shall be through Subsequent Documents executed and recorded by the Owners of the Property at a later date.

(c) If an Association is responsible for Maintaining the Stormwater Control Facilities, the costs and expenses of Maintaining any Stormwater Control Facilities (including any costs of complying with the terms of this Maintenance Covenant) shall be common expenses of the Association and shall include, without limitation, all costs for insurance premiums associated with the Stormwater Control Facilities and any other costs listed in the operations and maintenance budget established in the Stormwater Operations and Maintenance Manual and Budget.

7. Stormwater Control Facilities Maintained by a Commercial Lot Owner.

(a) If a commercial Lot Owner is responsible for Maintenance of the Stormwater Control Facilities, said Owner is responsible for making all repairs and replacements of the Stormwater Control Facilities in accordance with the construction drawings approved by the Town and the Stormwater Operations and Maintenance Manual and Budget.

(b) Each Parcel served by the Stormwater Control Facility and any successive Owner of any Parcel shall be subject to an assessment charge levied by the designated responsible commercial Lot Owner. The assessment charge shall include, without limitation, the actual costs for Maintaining the Stormwater Control Facility, all costs for insurance premiums associated with the Stormwater Control Facility, and other costs listed in the Stormwater Operations and Maintenance Manual and Budget. Calculation of the assessment charge shall be set forth in a subsequent recorded document. Any assessment charge levied against a Lot and remaining unpaid for a period of thirty (30) days or longer after the payment due date shall be delinquent and shall constitute a default of this Maintenance Covenant entitling the Lot Owner responsible for Maintenance of the Stormwater Control Facilities to bring an action at law against the defaulting party plus interest charges, together with all costs and expenses of collection incurred, such as without limitation, court costs and reasonable attorney fees actually incurred. Each Parcel Owner served by the Stormwater Control Facility shall have the right to Maintain, repair, and replace the Stormwater Control

Facility if after forty-five (45) days written notice the commercial Lot Owner responsible for Maintenance, repair, and replacement fails to faithfully discharge its responsibility. The Parcel Owner doing the work shall have the same right as the designated commercial Lot Owner has to assess the other Lots served by the Stormwater Control Facility.

(c) At any time the commercial Lot Owner responsible for the Maintenance of Stormwater Control Facilities may assign its responsibilities and rights to a property owners association established in accordance with Chapters 47C or 47F of the North Carolina General Statutes or successor statutes, in which instance the Owners of the Parcels served by the Stormwater Control Facilities shall be members of the created property owners association.

8. Insurance. As part of the routine costs and expenses of Maintaining the Stormwater Control Facilities, the Responsible Party must procure and maintain liability insurance in an amount no less than \$1,000,000.00 for the protection of the Stormwater Control Facilities.

9. Penalties Associated with Failure to Maintain Stormwater Control Facilities. Operation and Maintenance of the Stormwater Control Facilities must comply with all relevant provisions of the Code. Failure to Maintain the Stormwater Control Facilities in accordance with the Stormwater Operations and Maintenance Manual and Budget and any applicable regulation of a Governmental Authority is a violation of the Code and may subject each Lot Owner and the Responsible Party to significant daily civil penalties and other enforcement actions by the Town of Pittsboro and/or other Governmental Authorities, including assessments.

10. Joint and Several Liability. Each Owner shall be jointly and severally responsible for Maintenance of the Stormwater Control Facilities, including payment of any unpaid *ad valorem* taxes, public assessments for improvements, and unsafe building and public nuisance abatement liens charged against the Stormwater Control Facilities and Lots benefited by those Stormwater Control Facilities, and including all interest charges thereon, together with the costs and expenses of collection incurred by themselves (or other collecting agent), including court costs and reasonable attorney's fees actually incurred. Each Owner has a right of contribution against all other Owners whose portions of the Property are served by the same Stormwater Control Facilities for payment of such costs and expenses to the extent that the Owner having such right of contribution pays more than such Owner's pro rata share thereof, such pro rata share being determined either by other assessment provisions for Maintenance of Stormwater Control Facilities established in Subsequent Documents or by dividing the acreage of such Owner's portion of the Property served by the Stormwater Control Facilities by the total acreage of the portion of the Property served by the same Stormwater Control Facilities when no maintenance assessments apply to the Property.

11. Permanently Protected Undisturbed Open Space Areas. Within any permanently protected undisturbed open space areas (and similarly designated areas) shown on any recorded plat of any portion of the Property, there must not be any land disturbing activity, any placement of impervious surfaces, any tree disturbing activity (as defined in the Code), any removal of vegetation, any new development or expansion thereof, or new use, construction, or encroachment without first obtaining a watercourse buffer permit from the Town.

**Article III**  
**Rights Granted to Town of Pittsboro**

1. Action for Specific Performance. Recognizing the consequences to the Town of Pittsboro of non-compliance with the obligations of this Maintenance Covenant, Declarant hereby grants the Town of Pittsboro the right to seek, in any court of appropriate jurisdiction, judicial action for specific performance of any of the obligations established within this Maintenance Covenant. This right of the Town shall not limit any other remedies or enforcement options available to the Town under this Maintenance Covenant, the Code, or any other applicable law, including later adopted ordinances or statutes that may supplement or supersede the requirements stated herein.

2. Grant of Easements.

(a) Declarant hereby dedicates and Grants unto the Town a permanent, non-exclusive and irrevocable easement over the Lots, Stormwater Control Facilities, and private drainage easements for the purpose of permitting Town inspection and, if deemed necessary, as determined by the Town, in its sole discretion, for Maintenance and other work on the Stormwater Control Facilities (the "Protection Easement").

(b) Declarant hereby dedicates and grants to the Town a permanent, irrevocable, and nonexclusive right of ingress, egress, and regress over and across all public or private easements on the Property, including, but not limited to, private roads, for Maintenance and other work on the Stormwater Control Facilities (the "Access Easement"). The rights granted to the Town in this subsection shall extend to employees, agents, and contractors of the Town.

3. Use of Protection and Access Easements. The Town, its officers, employees, contractors and agents may access the Property and enter the Stormwater Control Facilities for purposes of exercising the Town's rights hereunder. This Maintenance Covenant shall in no way obligate the Town to monitor and Maintain the Stormwater Control Facilities, and the Town shall not be liable to any person, firm, partnership, company, corporation, governmental agency, or entity for the condition or operation of the Stormwater Control Facilities. Further, this Maintenance Covenant shall in no way diminish, limit, or restrict the right of the Town to enforce any of its ordinances as permitted by law or to exercise any rights or powers granted to it.

4. Town Right to Maintain and Repair Stormwater Control Facilities and Right of Reimbursement.

(a) If Stormwater Control Facilities serving any portion of the Property are not performing adequately or as intended or are not properly maintained or replaced, the Town, in its sole discretion, may, after providing written notice to the Lot Owners and the Responsible Party, enter the Property and perform Maintenance of the Stormwater Control Facilities as is necessary to remedy the situation.

(b) The Town shall be fully reimbursed for its costs of inspecting, monitoring, designing, constructing, repairing, reconstructing, replacing, and installing the Stormwater Control Facility or Stormwater Control Facilities. Such costs shall include the costs of administration, overhead, contracting, and public advertising associated with the work performed by the Town pursuant to this Article.

(c) In addition to any other rights the Town has to be reimbursed for its costs, the Town may levy an assessment against each Lot served by the noncompliant Stormwater Control Facility. No assessment will be levied by the Town without prior notice to the affected Lot Owners. Any unpaid assessment levied by the Town shall be, as allowed by law, a lien against any delinquent Lot.

5. Town Right to Private Assessments. In addition to all other remedies set forth in this Maintenance Covenant, the Declarant assigns to the Town any powers or rights of assessment that presently exist or that may be created (including those created through a Subsequent Document) for purposes of funding common expenses for services benefitting the Lots (including those of an Association and including any assessments for Maintenance of Stormwater Control Facilities). The Declarant also appoints the Town as attorney-in-fact for the express purpose of assessing and pursuing the collection of unpaid costs incurred by the Town in its Maintenance of any Stormwater Control Facility serving any of the Lots. The Town shall not exercise the assignment and appointment herein until all of the following occur:

(a) The Town has not been fully reimbursed for any costs associated with Maintenance performed by the Town (or its contractors) to any Stormwater Control Facility serving any portion of the Property.

(b) The Town has provided the Responsible Party written notice requesting full payment and full reimbursement has not been made to the Town within thirty (30) days of this notice.

(c) At least sixty (60) days prior written notice of the assignment of assessment rights is provided to the Responsible Party (and the members of the Association if an Association is the Responsible Party). The Declarant further assigns to the Town the right to compel the Responsible Party to ratify such assignment of assessment rights and appointment as are made in this section at a later date and to, if deemed necessary at the Town's sole discretion, make a similar assignment in the future prior to the Town commencing any Maintenance on any Stormwater Control Facility.

6. Provision of Membership Roster. If an Association is the Responsible Party, the Association shall, upon demand by the Town, provide the Town with a list of all members of the Association and the mailing address for each member that that the Association utilizes to communicate with its membership. This list must be provided within thirty (30) days of the Town's demand.

7. No Public Adoption.

(a) The Town's exercise of its rights under this Maintenance Covenant, or its abatement of a public nuisance, or its repair of unsafe structures does not constitute adoption of any Stormwater Control Facility by the Town. The legal authority of the Town is not intended to impede or prohibit the Responsible Party or any Lot Owners from taking all necessary actions to Maintain the Stormwater Control Facilities so that they function safely and perform the function for which they were created.

(b) The Town is not obligated to monitor or Maintain any Stormwater Control Facility and the Town shall not be liable to any person or entity for the condition or operation of any Stormwater Control Facilities.

#### **Article IV Subordination**

1. Subordination.

(To protect the interests of the Town of Pittsboro and the public at large, any existing deeds of trust, mortgages, or liens encumbering the Property, other than property tax liens for the current tax year or governmental improvement assessment liens, must be subordinated to this Maintenance Covenant. If no such encumbrances exist, the following representation must be checked by the Declarant. Otherwise, such encumbrances must be listed and the Maintenance Covenant must be executed by the beneficiary and trustee, mortgagee, or lien holder to evidence such subordination.)

[14] DECLARANT REPRESENTS THAT NO SUPERIOR DEEDS OF TRUST, MORTGAGES, OR LIENS (OTHER THAN PROPERTY TAX LIENS FOR THE CURRENT TAX YEAR OR GOVERNMENTAL IMPROVEMENT ASSESSMENT LIENS) ENCUMBER OR AFFECT THE PROPERTY AT THE TIME OF THE EXECUTION AND RECORDING OF THIS MAINTENANCE COVENANT, OR THAT IF ANY OF THE FOREGOING EXIST AND ARE NOT BEING SUBORDINATED BY THE DEED OF TRUST BENEFICIARY AND TRUSTEE, MORTGAGEE, OR LIEN HOLDER BY EXECUTION OF THIS MAINTENANCE COVENANT, DECLARANT HAS AN OWNER'S POLICY OF TITLE INSURANCE THAT EITHER INSURES THE PROPERTY WITHOUT EXCEPTION FOR SUCH ENCUMBRANCE OR THAT PROVIDES AFFIRMATIVE COVERAGE WITH RESPECT TO SUCH ENCUMBRANCE AND, IN SUCH EVENT, A COPY OF SUCH TITLE INSURANCE POLICY HAS BEEN GIVEN TO THE TOWN.

(If the box above is not checked, the subordination section on the signature pages must be completed and signed by the appropriate parties.)

#### **Article V Miscellaneous**

1. Notice. Written notice as required hereunder shall be provided to the Town of Pittsboro at Post Office Box \_\_\_\_, Pittsboro, N.C. 27312, Attention: Town Engineer and to the Declarant at \_\_\_\_\_. Once the Declarant transfers, by deed or easement, responsibility for Maintenance of the Stormwater Control Facilities to the Responsible Party, the address for notice to the Responsible Party shall be provided to the Town in writing, directed to the address listed above. The Town may elect to notify the Responsible Party at either (i) the mailing address for the Responsible Party provided to the Chatham County Tax Assessor; or (ii) the registered agent of the Responsible Party on file with the Corporations Division of the Secretary of State's Office, either of which shall be deemed to comply with any notice requirements of this Maintenance Covenant. Where notice must be provided to individual Lot Owners (as members of an Association), such notice shall be sent to the Owner of that Lot as shown on the county tax listing first class mail. Written notice shall be deemed received four (4)

days following its deposit, first class mail, with the United States postal system. All mailings required by this Article shall be sent via the United States Postal Service.

2. Term. This Maintenance Covenant shall continue as a servitude running in perpetuity with the Property.

3. Severability. If any provision of this Maintenance Covenant shall be deemed invalid by a judgment, order, or decree of any court of competent jurisdiction, such invalidity shall not affect any of the remaining provisions of this Maintenance Covenant.

4. No Merger. The rights, privileges and easements in this Maintenance Covenant shall not merge by operation of law or terminate but shall remain in full force and effect despite the fact that the same Owner may own title to all the real properties which are affected by this Maintenance Covenant.

5. No Waiver. The failure of any Owner, an Association, a Responsible Party, or the Town in any one or more instances to insist upon compliance with any provision or covenant herein or to exercise any right or privilege herein shall not constitute or be construed as a waiver of such or any similar provision, covenant, right or privilege including the right to cure a breach or default, but the same shall continue and remain in full force and effect, as if no such forbearance had occurred.

**Article VI**  
**Execution**

TO HAVE AND TO HOLD the covenants agreed to and the terms, conditions, obligations and restrictions imposed herein shall be binding upon the Declarant, its successors and assigns, and shall continue as a servitude running with the land in perpetuity. Declarant covenants that it is vested of the Property in fee simple, has the right to convey the same in fee simple, that the Property is free from encumbrances except as herein stated or subordinated herein, and Declarant will warrant and defend such title to the same against claims of all persons whatsoever. Title to the Property is subject to the following: all utility rights of way and easements recorded in the Registry; plats of any part or all of the Property recorded in the Registry; and restrictive covenants affecting any part or all of the Property that were recorded in the Registry prior to the recording of the deed to the Declarant that conveyed the Property to the Declarant. Declarant acknowledges that the Town of Pittsboro is acting in reliance on Declarant's authority to enter into this Maintenance Covenant and the terms, conditions, obligations, and restrictions imposed herein in its authorization to subdivide the Property and in the issuance of any permits or development approvals associated with any construction of improvements on the Property and that the Town of Pittsboro may suffer irreparable harm from the violation of the covenants, restrictions, and obligations established herein.
