

# SMALL TOWN MAIN STREET KICK-OFF EVENTS

## PITTSBORO, NC

### SEPTEMBER 15, 2011

**Purpose:**

*The events of the day center on Pittsboro stakeholders learning about the Small Town Main Street Program from experts with the NC Division of Commerce. This visit will allow their team to get to know Pittsboro a little better through walking tours, meetings with volunteers with an interest in downtown revitalization, and exploring what all parties hope to accomplish together. This kick-off day will also begin the process of forming a community based organization to help carry out the revitalization effort.*
