

MEMORANDUM

TO: Mayor and Board of Commissioners

FROM: Bryan Gruesbeck, Town Manager

SUBJECT: 15/501 Speed Study

DATE: May 17, 2013

Background: Attached please find a letter from NCDOT regarding the Town's request for a speed reduction. In the letter (first paragraph) please note that the study appears to focus on an area between Rock Springs Cemetery Church Road and Northwoods High School. I had asked for a review of the general area between Northwoods High School and Lowes/Powell Place. Further down the letter, data is presented to reflect some study of the area that I questioned.

I have questions regarding the project's scope or area of study, but it appears that NCDOT has determined that the speed limit should not be modified at this time.

I will pass along any additional information as I receive it.

Action Requested: Receive the letter and let me know if you have any questions.
