

To: Residents of Pittsboro

Recently Waste Industries was awarded the trash and recycling services contract for the town through a competitive bid process. We are new to your area but have served North Carolina towns and cities for over forty years. We are a North Carolina Corporation with corporate offices in Raleigh and we currently serve over 90 communities in the state. We will begin this new service starting the week of July 4-8.

Waste Management will be removing their containers on Friday June 24, 2011. Our containers will be delivered June 23rd and 24th.

There will be a few changes with this new contract:

Your new pick-up days will be on Tuesday and Wednesday starting July 5th and 6th. We will collect your trash and recycling on the same day. Please see the attached map.

Your last Friday pick up will be July 1, 2011. The requirements for placing your containers out have not changed, only the day of pick-up.

Your recycling will be picked-up **EVERY OTHER TUESDAY AND WEDNESDAY BEGINNING JULY 5th and 6th.** Please see the attached calendar for service weeks.

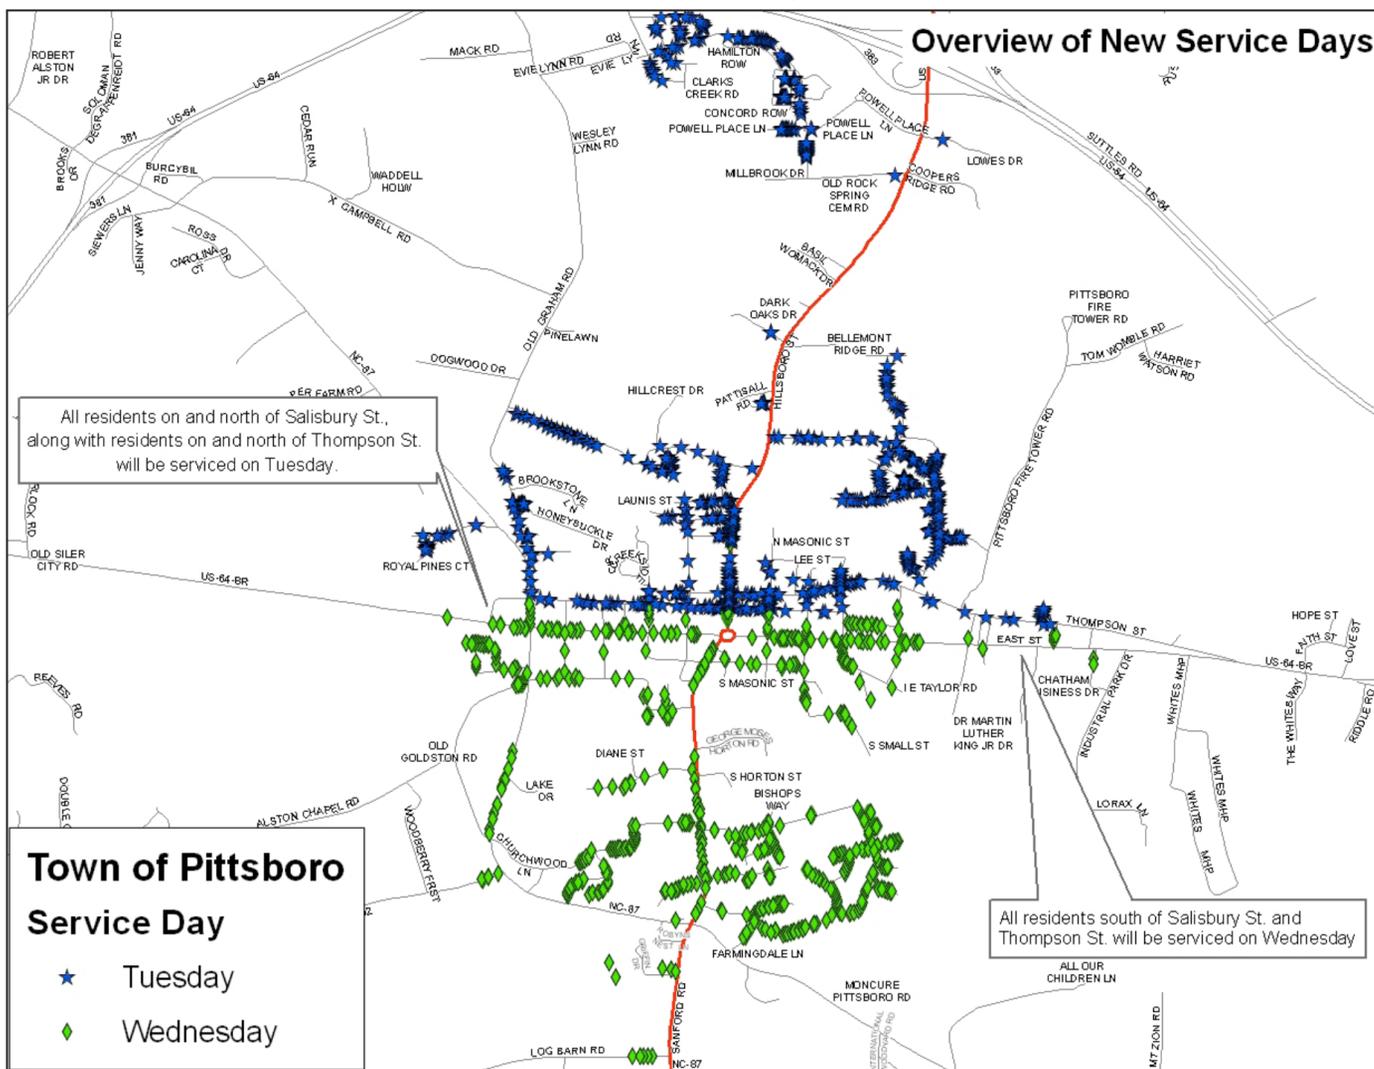

As part of this new contract the town has opted to utilize 65 gallon recycling carts instead of the small 18 gallon bins. This will allow for more storage space and additional volume. It will also keep your recycling dry, protected from the wind and minimize any bug or rodent issues common to the open bins. With this additional space recycling collection will not be required every week. Please keep the attached calendar handy as a reminder of your week for recycling pick-up.

Waste Industries is proud to serve the citizens of Pittsboro and will do everything we can to make this a smooth and seamless transition. If you have any questions or we can be of any assistance please let us know @ (919) 596-1363.
